

# The Board of Rabbis of Southern California

Visiting Israel awakens the spirit and renews ancient, emotional ties. Commemorate your congregants' journeys with a special "Pin ceremony," designed around the Board of Rabbis of Southern California's Israel Pin.

Each of our Israel Pins comes with a description of the design and information to help you or a trip leader create a memorable ceremony for congregants visiting the Holy Land. With a built-in magnetic clasp and bale, the design can be worn as either a pin for lapels, caps and *tallitot* or as a necklace or bracelet.

The Israel Pin is based on the ancient city of Jerusalem. The wall surrounds the city, protecting it from invaders and preserving its essence. The stones in the center are reminiscent of the Kotel.

Each Pin comes individually wrapped with a necklace cord and explanatory card.
