Dear Rabbi Diamond,

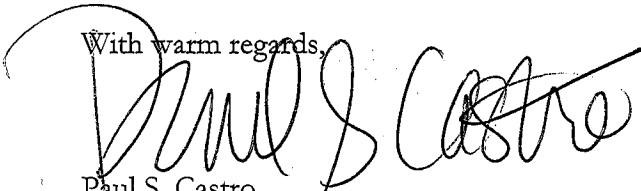

On behalf of Jewish Family Service of Los Angeles and our Board of Directors, I want to express our deep appreciation for your generous donation received on Thursday, May 14, 2009 of \$500.00\* to our SOVA Food Pantry. As you may know, SOVA applies your donation toward the purchase of food for families whose incomes are insufficient to meet their daily nutritional needs.

Let me share an example of a family that was helped through our SOVA Food Pantry:

*A woman and her husband were hungry, but were most desperate to feed their baby. When they couldn't afford to buy milk for the one-year-old girl, the mother boiled rice and fed her rice water. Then they discovered the JFS/SOVA Community Food and Resource Program, where they received a compassionate and immediate response. They left the pantry with food, grocery store vouchers for the baby's milk, information about government nutrition programs, and more to lift them out of their crisis.*

Your contributions allow the JFS/SOVA Food Pantry to continue serving the needs of the community. We thank you most sincerely.

With warm regards,

  
Paul S. Castro  
Executive Director/CEO

*Thank you!*
